

Customer Profile Service

A Service of Wemetcard Inc.

A Service that fits **YOUR** needs!

The **Customer Profile Service** is designed to adjust personal services to your individual needs and preferences. It also allows you to scan your stick-on "**Customer Service Tags**" with any smartphone to instantly see past service dates, services performed, who service was done by and appointments that have been set for future services. Tags can be placed on **computers**, car **windshields**, on **medical and other types of cards** and other locations. The service also allows automatic email reminder messages to be sent to you, informing you of future appointment dates and times.
